

BG-COMMANDER-ULTRALX

JOYSTICK CONTROLLER

ALL-IN-ONE 4K IP PRODUCTION SWITCHER AND PTZ JOYSTICK CONTROLLER (4-CHANNEL/ TOUCHSCREEN/POE/IP/RS-232)

The BG-Commander-UltraLX is a professional portable 4-channel HDMI production switcher and joystick controller designed for multi-camera productions. Supporting up to 4K signal input with 1080p@60Hz output, it integrates advanced features such as picture-in-picture, chroma key, logo overlay, and multiple transition effects. With dual HDMI outputs, USB-C virtual camera capability, direct recording to USB/SD, PTZ camera control, and tally light support, this device delivers a complete live production solution for live streaming, online courses, corporate press conferences, events, or church services.

With four HDMI inputs supporting 4K@30Hz and flexible output options (HDMI, USB-C, and direct recording), the UltraLX ensures uncompromised video quality. The Type-C virtual camera output makes it plug-and-play with popular live streaming and conferencing platforms, removing the need for external capture cards.

FEATURES

4-IN-2-OUT SWITCHING

Four 4K HDMI inputs with two HDMI outputs for program and monitoring

TYPE-C VIRTUAL CAMERA

Direct USB-C output for seamless use with live streaming and video conferencing software

PROFESSIONAL EFFECTS

Built-in chroma key, picture-in-picture, logo overlay, and multiple transitions

DUAL RECORDING SUPPORT

Record directly to USB drives or SD cards without a PC

PTZ & TALLY INTEGRATION

Control PTZ cameras and synchronize live/on-air status

7-INCH LCD DISPLAY

High-resolution screen for monitoring, menu navigation, and settings control

TECH SPECIFICATIONS
