

EMPOWERING NEXT-GEN PRO AV & BROADCASTING

HOW BZBGEAR IS REVOLUTIONIZING PROFESSIONAL AV AND BROADCASTING WORLDWIDE

ABOUT BZBGEAR

Established in 2019 and headquartered in Sacramento, California, BZBGEAR has quickly emerged as a global manufacturer of end-to-end professional AV and broadcasting solutions. We're a full-service partner combining innovative design, exceptional user experience, and lifetime product support.

Recognized for award-winning products and support, BZBGEAR has become the trusted partner in pro AV and broadcasting.

WHY AV PROFESSIONALS AND STAKEHOLDERS CHOOSE BZBGEAR

We pride ourselves on our BZBGEAR Fundamentals.

Core beliefs and procedures ensuring the highest level of customer support, comprehensive training, and unparalleled warranty protection in the industry:

- US-based tech support seven days a week 24/7
- Partner Portal for real-time inventory, order management, firmware downloads, and more
- In-house warehouse ensuring fast fulfillment and availability
- Free BZBGEAR proprietary control software
- Pro Line: 5-year warranty; Essential line 3-year; Cables: lifetime
- 60-day demo program
- Expedited replacement service
- Complimentary system design and sales engineering support

REAL-WORLD SUCCESS (CASE STUDIES)

Renowned celebrities and houses of worship use BZBGear PTZ cameras for their broadcast productions. Corporate clients and schools deploy our switchers and signal distribution gear. Their results speak for themselves!
