

AV & BROADCAST LUNCH AND LEARN

8K & Beyond

BZBGear continues to bring the latest technologies to the AV Industry — guaranteeing our partners exceptional customer service and technical support.

What End Users Seek

- ▶ A brand that delivers on its promises
- ▶ A one-stop partner bridging AV and Broadcast technologies
- ▶ On-time delivery that respects the budget and timing constraints
- ▶ Free, simplified software control for mobile iOS and PC's
- ▶ A brand that genuinely cares about the client's goals

What Integrators Expect

- ▶ Immediate response from knowledgeable Regional Sales Managers
- ▶ Fast turnaround from a technical support team
- ▶ Simplified RMA processes and service calls
- ▶ A 5-Year warranty matching "AV as a Service" plans
- ▶ Generous margins that keep deals profitable

BZBGear bridges the gap between AV Distribution and Light Broadcasting applications, backed by a **5-Year warranty** on Pro-AV products and generous dealer margins. Today's clients are seeking budget-friendly solutions with great warranty backing that simply work for their projects.
