Statement

Please read these instructions carefully before connecting, operating, or configuring this product. Please save this manual for future reference.

Safety Precaution

- To prevent damaging this product, avoid heavy pressure, strong vibration, or immersion during transportation, storage, and installation.

- The housing of this product is made of organic materials. Do not expose to any liquid, gas, or solids which may corrode the shell.

- Do not expose the product to rain or moisture.

- Unplug this device during lightning storms

- Clean only with a soft dry microfiber cloth.

- To prevent the risk of electric shock, do not open the case. Installation and maintenance should only be carried out by qualified technicians.

- Do not use the product beyond the specified temperature, humidity, or power supply specifications.

- This product does not contain parts that can be maintained or repaired by users. Damage caused by dismantling the product without authorization from BZBGEAR is not covered under the warranty policy.

- Installation and use of this product must strictly comply with local electrical safety standards.

- Only use accessories specified by the manufacture

- Product specifications may be subject to technical upgrades without further notice

- Do not hot plug when it is working.
Introduction

The BG-DA-18 is a compact HDMI splitter that allows you to distribute an HDMI signal to eight outputs. With support for the latest HDMI 2.0 specifications, including HDR, you can enjoy vivid visuals with 4K UHD resolution at 60Hz and 4:4:4 color depth. Additionally, the splitter supports all HDMI audio formats, such as Dolby TrueHD, Atmos, and DTS-HD Master Audio, for exceptional sound quality. With advanced EDID management and HDCP 2.2 compliance, you can expect seamless compatibility with your devices. Ideal for use in home theaters, lecture rooms, presentation halls, showrooms, demo rooms, and public commercial displays.

Features

- 1x HDMI input and 8x HDMI outputs
- HDMI 2.0 18Gbps specification including HDR
- Up to 4K UHD 60Hz 4:4:4
- All industry standard video resolutions including VGA-WUXGA and 480i-4K
- All known HDMI audio formats including Dolby TrueHD, Atmos and DTS-HD Master Audio transmission
- Advanced EDID management
- HDCP 2.2 compliant.

Package Contents

- 1 x BG-DA-18
- 1 x Power Supply (12V DC 2A)
- 1 x User Manual
- 1 x Mounting Kit
