

## **BG-MIC-U1**

**Compact High-Quality USB Conferencing Microphone (Black)**

The BG-MIC-U1 is a USB conferencing microphone. It features a dual color LED indicator, a push ON/OFF switch and an electret cardioid condenser capsule. The internal shock mount minimizes mechanical noise for crystal-clear sound reproduction. Integrated mounting holes allow for wall or ceiling placement for a clean installation. Simply connect with a USB type B to USB type A cable for plug and play operation.

### **FEATURES**

- The boundary microphone is designed for conference, house of worship, and theater applications
- Internal shock mount minimizes mechanical noise
- The BG-MIC-U1 features dual color LED indicator, membrane ON / OFF switch and back electric cardioid condenser capsule
- Dual color LED indicator
- Electret cardioid condenser capsule
- Plug and play operation

# Specifications

|                        |   |
|------------------------|---|
| Capsule Type           | Electret Condenser                        |
| USB Connector          | B type, Digital audio interface Indicator |
| Indicator              | USB (Mic OFF) - Green<br>Mic ON - Red     |
| Switch                 | Push control: ON/OFF                      |
| Sensitivity(at 1000Hz) | -53 ± 3 dB * (2.23mV) OdB = 1V / μbar     |
| Max. SPL For 1% T.H.D. | 125dB                                     |
| Frequency Response     | 30~12,000 Hz                              |
| Directional Pattern    | Half-Cardioid                             |
| Power consumption      | 0.4W                                      |
| Dimension (mm)         | 73mm(W) * 24mm(H) * 110mm(L)              |
| Weight                 | 0.17 lbs [75g]                            |
| DAC                    | 32, 44.1, 48KHz                           |
| ADC                    | 8, 11.025, 16, 22.05, 32, 44.1, 48KHz     |
| Bit Depth              | 16-Bit                                    |
| USB Type               | USB 1.1 / USB 2.0 / USB3.0                |

## Industry-Leading Warranty & Support

BZBGEAR Pro AV products and Cameras come with a three-year warranty. An extended two-year warranty is available for our Cameras upon registration for a total of five years.

We pride ourselves in our Customer Service and seven-days-a-week Tech Support.
