Cameras and Joystick Controllers

BZBGEAR

PTZ & EPTZ Cameras

A BZBGEAR PTZ (Pan-Tilt-Zoom) camera is a versatile and high-performance solution designed to deliver precise control over panning, tilting, and zooming, making it ideal for a wide range of applications. These cameras are widely used in environments such as live streaming, broadcasting, videoconferencing, houses of worship, and security monitoring. With features like multiple connection options (Ethernet, USB, SDI/HDMI), scalable image formats, and flexible control systems, PTZ cameras are designed to provide seamless performance across diverse settings.

Available in various models, including 4K and Full HD, BZBGEAR PTZ cameras offer advanced functionalities such as auto-tracking, NDI technology, and Dante AV-H technology, optimizing them for live events and professional productions.

Available Technology

Introducing the BG-VPTZ-HSU3, a versatile COMPACT PTZ 1080P FHD camera with 10X/20X/30X zoom options, multiple output interfaces (HDMI, 3G-SDI, USB 3.0, IP streaming), and a compact design perfect for offices and classrooms. For enhanced audio/video over IP streaming, the BG-VPTZ-HSU3 supports NDI|HX2 with the BG-VPTZN-HSU3 model.

With the ability to capture 1080p@60Hz video, this camera delivers exceptional image quality and supports H.264/H.265 video compression and RTMP(S) for live streaming.

Offering flexible control via RS-232, RS-485, LAN, or IR remote, it also boasts 255 preset positions.

Additional features include Power over Ethernet (PoE), audio embedding, and a sturdy all-aluminum chassis, making it a top choice for high-quality video capture and streaming in various settings.

The BG-VPTZ-HSU3 camera finds applications in video conferencing, live streaming, content creation, surveillance, and large venue settings.

Meet the Universal 1080P FHD PTZ HDMI/SDI/USB 3.0 RS232/485 Live Streaming Camera - BG-UPTZ. This camera offers 12x, 20x, and 30x zoom options, delivering outstanding 1080p image quality through a 1/2.8" Sony CMOS sensor. With simultaneous HDMI, 3G-SDI, and USB 3.0 outputs, it seamlessly integrates into various workflows. It supports popular video protocols like ONVIF, RTSP, and RTMP, allowing compatibility with video production software and direct streaming to platforms like YouTube and Twitch.

For enhanced audio/video over IP streaming, the BG-UPTZ supports NDI|HX2 with the BG-UPTZ-ND model. Offering IR remote, IP control, and RS232/485 serial connections, it allows precise control and up to 255 camera presets. The BG-UPTZ also supports SRT for reliable internet streaming and comes in black, silver, or white. With superb auto focus and multiple output options, it's the ultimate choice for streaming and recording needs.

BZBGEAR

Box cameras

BZBGEAR box cameras offer a blend of flexibility, simplicity, and professionalism making them an ideal choice for various applications such as live streaming, teaching, content creation, and security. These cameras support multiple output configurations, including SDI, HDMI, USB, and IP streaming, enabling seamless integration with a wide range of AV equipment.

Their compact design allows for greater freedom in camera placement, and they come equipped with features like Auto-Focus, automatic white balance, and advanced image processing capabilities, making it easy for users to achieve professional-level results without complexity. Box cameras are particularly suited for applications requiring a fixed camera angle, as they do not have pan or tilt capabilities, making them perfect for livestreaming, product demonstrations, and small business uses.

ABOUT BZBGear

Founded in 2019 and headquartered in Sacramento, California, BZBGear® has quickly emerged as a global leader and one-stop manufacturer of professional AV and broadcasting solutions. Dedicated to delivering excellence, BZBGear focuses on combining innovative design, exceptional user experience, and unparalleled lifetime product support.

OUR PRODUCTS

Each solution is meticulously crafted by a team of expert hardware and software engineers to ensure superior quality and cutting-edge functionality. Recognized for its award-winning products and industry-leading support, BZBGear has become the go-to choice for AV and broadcast applications, trusted by professionals worldwide.

WHAT BZBGear HAS TO OFFER

BZBGear delivers comprehensive professional AV and broadcasting solutions, including live streaming and video production products. Our mission extends beyond providing exceptional gear—we pride ourselves on unparalleled customer service and reliable seven-days-a-week technical support. Our team is celebrated for delivering outstanding assistance and ensuring customer satisfaction at every step.

At BZBGear, we prioritize our customers' needs and concerns, offering the highest level of professional support. By fostering relationships built on integrity and trust, we approach every interaction with honesty and fairness, always striving to place ourselves in our clients' shoes.

Our vision is to make cutting-edge AV technology accessible to everyone at a fair price. Because everyone deserves to see, hear, and experience the remarkable advancements of today's AV world
